CALL TO ORDER

The November 16, 2010 Special Meeting of the Jefferson Township Board of Supervisors was called to order at 6:30 PM by Chairman Alan Loesch.

Members present: Chairman Alan Loesch, Vice-Chairman Margaret Peterson, Supervisor Keith Crum.

Secretary present: Robyn Loesch

OLD BUSINESS - NONE

NEW BUSINESS

The Supervisors discussed the current Assessment Permit process. Currently, the Supervisors approve the local assessment permit, and an applicant does not have a second Board to hear any potential assessment permit appeals. Also, increased State and Federal regulations on such issues as Floodplain and Stormwater management require more technical review before a permit is issued. There was a discussion about appointing Light-Heigel to handle all of the Assessment permits, and what changes would have to be made to the current assessment permit forms, placards, administrative costs, and the application process.

There was also a short discussion of the proposed Regional Comprehensive Plan.

PUBLIC COMMENT NONE

ADJOURNMENT

Alan Loesch motioned to adjourn the meeting, second Keith Crum. All were in favor and the meeting adjourned at 7:00PM.
